

Training

# Working Successfully in Germany: Mastering Intercultural Communication

In-Person: **November 6, 2024,**  
at TechBase Regensburg

Virtual Follow-up: **November 27, 2024**

### Aim:

Our training program aims to equip international professionals with the intercultural communication skills necessary to thrive in the German workplace.

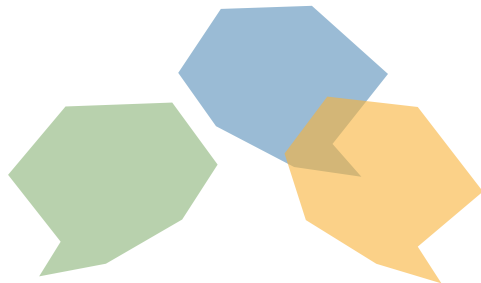

### Content:

- Understanding German Business Culture: Learn about key cultural differences and expectations in German workplaces.
- Effective Communication: Develop skills to communicate clearly and efficiently with German colleagues and partners.
- Navigating Workplace Dynamics: Gain insights into the hierarchical structures and decision-making processes in German companies.
- Practical Exercises: Engage in role-plays and case studies to apply your learning in real-world scenarios.

The training includes interactive workshops, case studies, role-playing exercises, and group discussions to promote active learning and collaboration. Feedback sessions and the virtual follow-up day will also help participants to identify strengths and areas for improvement.

The training will be led by **Anna Corbett**, an expert in intercultural communication with extensive experience in facilitating international training programs.
